Information for American donors

If you are a US taxpayer who itemizes deductions on IRS Form 1040 Schedule A and you require a tax-deductible receipt, please read the information below. If you do not itemize deductions and therefore do not need a tax-deductible receipt you can ignore this and make your donation through our regular donation pages.

The Incorporated Society for Psychical Research is able to accept tax-deductible donations from American donors in partnership with CAF America as a validated organization. As a U.S. public charity, CAF America is able to accept funds from U.S. donors who can then recommend that CAF America use those funds to support foreign charitable organizations like the SPR. Please be aware that CAF America expends considerable effort in validating charities and insuring recipient organizations and donations are compliant with U.S. tax law so it levies an administration charge of 8 percent (minimum US\$80 per donation). This means donating via CAF America is suitable primarily for larger gifts.

To make a Donor Advised Gift to the SPR via CAF America, please visit the [Give Now](#) page. Use the search bar to find The Incorporated Society for Psychical Research. (Please be patient—this seems to take a while.) The SPR's listing will display with a "Donate" button that will take you through the steps to donate via a credit card. If you would prefer to give off-line, see the section just below the search bar where you will find information on how to donate via check, wire transfer or asset transfer.

Whichever method you choose, you will need the following information, including our formal name, address and UK Charity registration number. There will also be a place where you can indicate how you want the SPR to allocate your donation (e.g., Psi Encyclopedia, Research Fund, General Fund).
