The Society for Psychical Research

The SPR was the first organisation established to examine allegedly paranormal phenomena using scientific principles. Our aim is to learn more about events and abilities commonly described as 'psychic' or 'paranormal' by supporting research, sharing information and encouraging debate. The SPR was established in 1882 and is a Registered Charity.

Membership

The SPR welcomes members of the public, as well as students and researchers in all disciplines, to join.

Membership does not imply acceptance of any particular opinion concerning the nature or reality of the phenomena examined, and the Society holds no corporate views. The minimum age for joining is 16, with reduced subscriptions for students, couples and senior citizens. To renew or apply for membership please visit the website at www.spr.ac.uk, telephone the Secretary, Peter Johnson, on 020 7937 8984, or email secretary@spr.ac.uk.
